DEDICATED SHINING STAR

We would like to highlight Autumn Armstrong and her persistent dedication to J&J Hip Hop and Performing Arts Company. Not only has she been consistent in attending all her classes as a scholarship student at J&J, but she has also persevered in the face of life changing events. Autumn is on both the TrillX and Street Legends Dance Crews that are currently practicing for World of Dance Auditions on May 7th, 2022. She suffered an injury recently that will physically not allow her to compete at the level she is use to. Instead of dropping her classes, she continues to attend each class and team practice, as a physical presence and support for her team members. She refuses to give up her ambitions and goals. We would like to recognize her talents, heart, dedication, and leadership as a senior dance member at J&J. Thank you Autumn for showing us all that through hard work and dedication anything is possible.
